

# Parking

There are multiple parkades at UBC and we have identified 3 parking lots that will be most convenient for our participants.

- For Half Marathon participants, we recommend the North Parkade
- For 10k and 5k participants, we recommend the Health Sciences or Rose Garden Parkade.

Parking is **\$10** for the day and payment must be made upon entry to the parkades. **CASH** is the quickest.

Remember to allow yourself extra time for parking as the lots will fill up quick. See you at the start line!
